About the ESC Conference Center

The Educational Service Center of Central Ohio is equipped with a full-service Conference Center at its Central Office location. The Conference Center is made up of four separate conference rooms with a maximum occupancy of 222 people.

The ESC Central Office supplies free parking for all Conference Center events.

The ESCCO provides assistance with audiovisual equipment, video streaming/conferencing, catering, room arrangements and other details pertaining to the event for an additional fee.

Catering

The ESC of Central Ohio provides an in-house catering service with Sandman Gourmet Catering. An extensive menu is available for breakfast, lunch and dinner for those planning to supply food at their events.
